Chart data was obtained from the Contract Management System (CMS) managed by the San Francisco Department of Children, Youth and Their Families and CALPADS data from the California Department of Education at <http://dq.cde.ca.gov/dataquest>. The CALPADS and CMS information reflects data available during the 2013-14 school year.

In “The Top Five Types of Services” chart, Medical Services refers to services primarily provided by the school nurse. General Counseling refers to non-clinical counseling provided by non-licensed staff. Behavioral Health Counseling refers to clinical counseling services provided by a licensed or license-eligible counselor. Case Management refers to coordination of care to meet students’ health needs. Sensitive Services refers to reproductive health services.

In the “Comparison of Student Demographics” chart, the “Other” race/ethnicity category may include the identities American Indian, Alaska Native, Native American, Pacific Islander, Middle Eastern, or Multiracial/Multiethnic.

In the “Top Six Zip Codes” chart, the following zip codes are referenced: Ingleside/Excelsior = 94112; Bayview/Hunters Point = 94124; Mission/Bernal Heights = 94110; Sunset = 94122 & 94116; Visitacion Valley = 94134; Richmond = 94121 & 94118; and Other = all other, unknown, or missing zip codes.

Partnering to support student health and well-being.
